PROFESSIONAL EXPERIENCE

Senior Tax Specialist

08/2024 – Present | Kansas, MO

H&R Block

- Prepared and filed 400+ federal, state, and local tax returns annually including Forms 1040, 1040-NR, 1120, 1120S, 1065, 1041, 706, 709, FBAR, 8938, and K-1, covering individual, small business, corporate, estate, and expatriate taxation.
- Identified deductions, exemptions, and credits, generating an average client refund increase of \$3K–\$7K and reducing liabilities.
- Resolved 50+ IRS notices and compliance issues with a 95% resolution success rate, ensuring penalty-free submissions.
- Developed tax planning strategies through financial modelling and forecasting, achieving 10–15% reduction in client tax liabilities.
- Delivered international and expatriate tax advisory services, ensuring 100% compliance with IRS, FATCA, and state regulations.
- Mentored and trained 10+ junior tax professionals, increasing accuracy by 30% and reducing return processing time by 20%.
- Managed around 150 client engagements per tax season, meeting tight deadlines with zero late filings.

Graduate Assistant

08/2023 – 07/2024 | Kansas, MO

University of Missouri-Kansas City

- Conducted data collection and statistical analysis to support faculty research projects, improving research efficiency by 20%.
- Coordinated 15+ departmental events, managed records, and maintained schedules to enhance communication and administrative workflows.
- Managed expense tracking for a \$50K+ departmental budget, ensuring 100% compliance with financial and audit requirements.
- Streamlined reporting processes using Excel, reducing administrative processing time by 25%.
- Recorded and managed 1,000+ monthly financial transactions, ensuring GAAP compliance with 99.9% accuracy.
- Assisted in preparing financial statements (balance sheet, income statement, cash flow), driving cost savings of 10% year-over-year.
- Processed payroll for 100+ employees, ensuring 100% compliance and zero errors in compensation.

US Tax Associate

01/2022 – 07/2023 | Hyderabad, India

H&R Block

- Managed a diverse portfolio of international tax clients, preparing and accurately filing a range of complex U.S. tax forms, including Forms 1040, 1040-NR, and FBAR (Report of Foreign Bank and Financial Accounts). This work focused specifically on expatriate taxation and international tax compliance, ensuring adherence to IRS regulations and minimizing client penalties.
- Proactively stayed abreast of evolving IRS regulations and international tax treaties, ensuring 100% compliance and accuracy across all client submissions. This commitment to continuous professional development was critical to maintaining a high standard of service and minimizing errors.
- Analyzed client financial data to identify and apply optimal tax credits, deductions, and exemptions, resulting in a quantifiable increase in average client tax refunds and a reduction in overall tax liabilities.
- Developed and executed personalized tax planning strategies for clients with complex expatriate and international financial circumstances, often leading to significant long-term tax savings and increased client satisfaction.
- Streamlined client communication and inquiry resolution, achieving a 95% or higher on-time response rate and ensuring a transparent, efficient, and client-centric tax preparation process. This focus on clear communication enhanced the overall client experience.
- Implemented a meticulous quality assurance process, conducting a detailed review of all completed tax returns to ensure 100% accuracy and compliance before submission, thereby mitigating risk for both the client and the firm.
- Upholding the highest ethical standards, consistently maintained strict confidentiality and integrity while handling sensitive client financial information, thereby building and preserving client trust.
- Fostered a collaborative team environment, contributing to the development and implementation of best practices that improved team efficiency by 15% and enhanced overall operational effectiveness.

EDUCATION

Bachelor of Commerce (Honors)

06/2019 – 08/2022 | Hyderabad, India

Aurora Degree College

Master of Finance

08/2023 – 12/2024 | Kansas, MO

University of Missouri-Kansas City
